10 Minute Break

Statewide P2P Articulation

- Status of Statewide P2P Database as of 10/24/12
- Volunteers needed to assist PDE and AcademyOne with developing the P2P webpages and testing the searchable database

Fall 2012 Compliance to Statewide P2P

- According to the Accuracy Certification Statements submitted by institutions to PDE, 25 institutions are compliant for Fall 2012:
 - 7 of 14 Community Colleges
 - 13 of 14 PASSHE Universities
 - All 5 Opt-Ins
- Majority of non-compliant colleges expect to be in compliance by Spring 2013

Reasons for Non-Compliance

- Developing new courses to meet agreement requirements
- Program and/or course modifications need to be approved through college governance system
- Program does not meet the Framework requirements included in agreements such as Biology, Computer Science and Mathematics
- College's general education curriculum is not limited to Framework courses
- Current associate degree programs do not meet the approved P2P requirements and have not been modified to meet them.

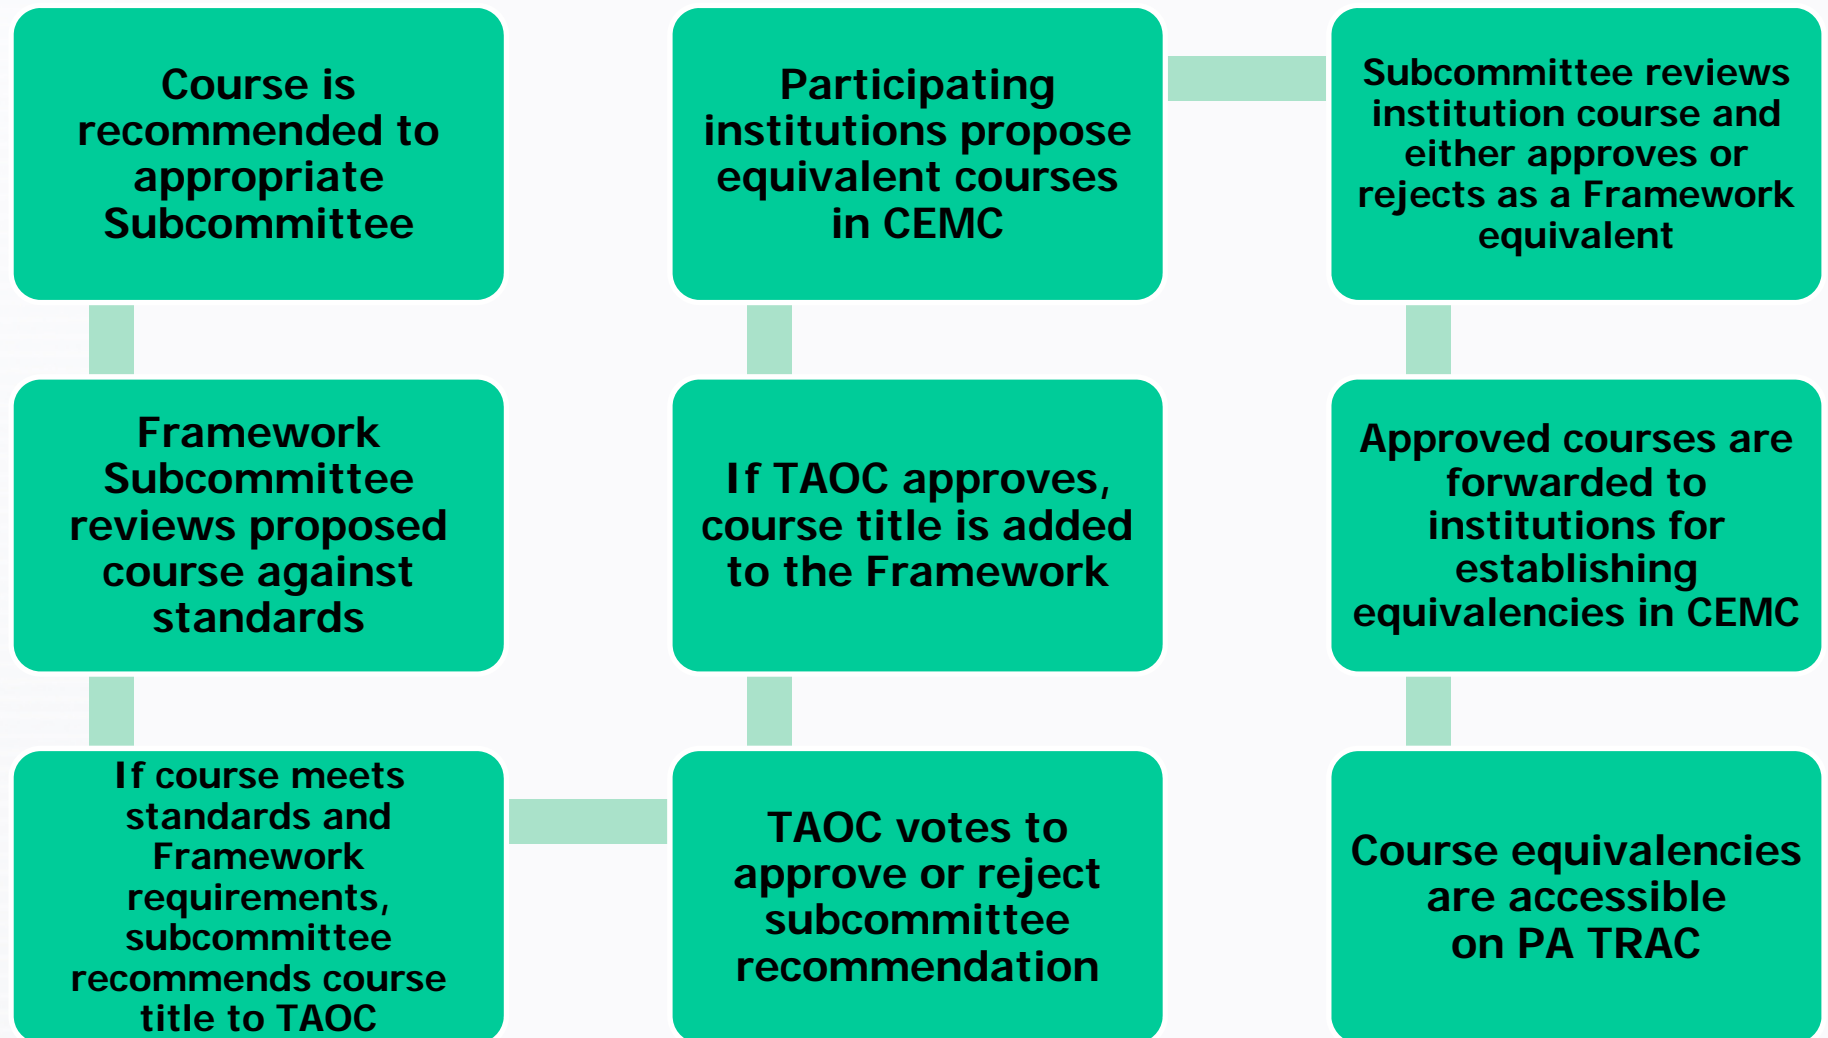

Pending P2P Agreements

- Political Science – TAOC will review and vote on this agreement Oct. 29-Nov. 2
- Music
- 4-8 Education
- Secondary Education

Transfer Credit Framework

- Review Framework Standards Subcommittee Member Rosters – notify PDE by Oct. 31 of any changes
- Process for Expanding the Framework and Proposing Courses to Subcommittees

Proposed Process for Expanding the Transfer Framework

Dispute Resolution Committee

- 7 Institutional Members
 - Northampton & California (term ends 6/30/13)
 - HACCC, Cheyney & Saint Francis (term ends 6/30/2014)
 - Bucks & Clarion (term ends 6/30/2015)
- Does TAOC's policy for this committee and process fit the current transfer system, which now includes statewide program articulation?
